Shiva Sharma

R&D Software Engineer · C / C++ · Embedded Linux · Optical Networking

shivasharma9896@gmail.com · +91 7404671855 · Bengaluru, India
Portfolio · GitHub · LinkedIn

Professional summary

Embedded software engineer with 3+ years of hands-on C/C++ experience in carrier-class optical networking and telecom systems on Linux. Delivers production features end-to-end—from system design through integration, testing, and release—with domain depth across OTN control plane, GPON/XGSPON/NGPON, OMCI, QoS, GCC, and inter-chassis networking.

Work experience

Engineer | Tejas Networks
May 2025 – Present

- Design and implement C/C++ control plane software for OTN devices in embedded Linux environments.
- Develop GCC handling for Line and Client Ports, plus inter-card and inter-chassis connectivity for distributed hardware.
- Enhance Wi-Fi 6 ONT Mesh technology across the product portfolio.

R&D; Engineer | Nokia
Aug 2023 – Apr 2025

- Developed embedded C/C++ software for SFU ONTs, specializing in QoS packet management and OMCI communication across GPON, XGSPON, and NGPON.
- Delivered features from design and implementation through customer release in a multi-threaded Linux environment.
- Selected scalable design patterns under chipset and vendor constraints; maintained automated tests and led rigorous code reviews.

Student Trainee (Intern) | Nokia Solutions and Networks
10 months

- Worked on the L2 forwarding team for SFU ONTs, maintaining embedded Linux software and improving device performance.
- Received a letter of appreciation and converted to a full-time R&D; Engineer role.

Education

Master of Computer Applications — 2023
Vellore Institute of Technology

Bachelor of Computer Applications — 2021
Gujarat University / St. Xavier's College

Technical skills

Programming	C · C++ (advanced / multi-threaded) · SQL
Domains	OTN control plane · GCC · GPON / XGSPON / NGPON · OMCI · QoS · Inter-card / inter-chassis networking · Wi-Fi 6 Mesh
Tools & practices	Linux · Agile / TDD · CI/CD · Code review · Automated testing · Git

Certifications

SQL — HackerRank · C++ — Coding Blocks · Introduction to Embedded Systems — University of Colorado Boulder (pursuing)
